CERTIFICATE OF MAILING UNDER 37 C.F.R. § 1.8(a)(1)(i)(A)	
I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is, on the date shown below, being deposited with the U.S. Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.	
Dated: July 12, 2004	By: <u>Cliff Carmon-Cin</u>

Sir or Madam:

In response to the NOTICE REGARDING DRAWINGS, the applicants hereby petition under 37 C.F.R. § 1.84(b) that black and white photographs of FIG. 2A and 2B be accepted as formal drawings in the above-captioned application. A petition fee under 37 C.F.R. § 1.17(h) of \$130.00 and three sets of each of the photographs identified below are also enclosed.

Applicants state that a black and white photograph is the best way to present the data shown in each of the figures discussed above since the Draftsperson indicated that prior drawings were of "poor line quality".

The Commissioner is hereby authorized to charge any additional fee or credit overpayment to our Deposit Account No. 08-1290. An originally executed duplicate of this transmittal is enclosed for this purpose.
